MESSAGE

Hon'ble Prime Minister Shri Narendra Modi Ji has given the mantra of skilling, reskilling and upskilling to the youth of Bharat.

NIELIT has been working towards realization of this vision through its 52 own centres, 712 accredited institutions and 9,840 facilitation centres.

It is a matter of great pleasure to present the 29th Annual Report of the National Institute of Electronics and Information Technology (NIELIT) together with the audited statement of accounts and auditor's report for the Financial Year 2023-24.

MESSAGE

Our country is making significant strides towards a digital transformation and led by the vision of Hon'ble Prime Minister, Shri Narendra Modi Ji, our country is progressing towards 'Viksit Bharat'.

As we navigate the ever-evolving landscape of technology, the role of NIELIT in fostering digital skilling and capacity building has become more critical than ever. NIELIT's initiatives in promoting emerging technologies such as Artificial Intelligence, Blockchain and Cybersecurity have been instrumental in equipping our youth with the skills necessary for the jobs of the future.

NIELIT has made significant strides in its endeavours to promote skill development and capacity building across the country. Looking ahead, I am confident that NIELIT will continue to make greater efforts in advancing India's digital transformation.

MESSAGE

Digital India continues to make the impact and unleash the power of technologies to further improve the quality of living for the people, to make the country self-reliant and a globally trusted partner. Today, India is considered as a global hub for IT services and Emerging Technologies are shaping the innovation and disruption in Industry and these will continue to redefine the excellence and the future of technology led transformation.

MeitY's efforts in fostering digital innovation, supporting startups, and developing robust legal frameworks are integral to the success of the Digital India initiative. These efforts collectively help in building a digitally empowered and inclusive society. MeitY has also launched several schemes to support technology startups and innovation, for example, establishing numerous Centers of Excellence (CoE) in different domains to promote research and development in the emerging technologies.

A nation thrives when its workforce is empowered and recognizing the importance of each worker fosters a culture of inclusivity. **NIELIT has organized a special event on January 27th, 2024 to honour and recognize the contribution of women workforce in Electronics Manufacturing Industry in India.** A stable and skilled workforce is essential for sustaining long-term industrial growth and development.

NIELIT has played a pivotal role in skilling the youth of the country through several initiatives and programs under which trainings on various emerging technologies such as AI, cyber security, IoT, blockchain, etc. are conducted. **I would like to congratulate NIELIT as they have launched Initiatives for Cyber Security Aware Society (ICSAS),** a mobile application of NIELIT available in 16 Indian and 7 international languages such as French, Spanish, etc.

I wish NIELIT to expand its horizons further in the coming years for spearheading its skilling/reskilling/upskilling programmes in the IECT sector to the remotest part of the country.

MESSAGE

The year 2023-24 has been a year of relentless effort for NIELIT, as we remained committed to achieving significant milestones. Our focus has been on integrating cutting-edge digital technologies, updating course content, expanding our reach to underserved areas, and ensuring that every citizen has access to essential skills. The 2023-24 Annual Report highlights several of these notable achievements.

One of the most remarkable accomplishments this year has been NIELIT's dedicated pursuit of obtaining Deemed to be University status for skill development in emerging technologies. Following our application to the UGC under the De-Novo category, the Ministry of Education issued a Letter of Intent on 24th November 2023 to NIELIT Ropar, along with 11 other campuses across Calicut, Aurangabad, Gorakhpur, Srinagar, Agartala, Imphal, Aizawl, Patna, Kohima, Ajmer, and Itanagar. This endeavour demonstrates our strong commitment to innovation and excellence in education and training.

I am also pleased to announce that on 15th February 2024, NIELIT hosted the inaugural Digital India Future Skills Summit in Guwahati, providing a platform to discuss strategies for developing a future-ready workforce. Building on the success of last year's international conference, NICE-DT '23, we organized the second edition, NICE-DT '24, on 16th-17th February 2024, again in Guwahati. This event attracted even greater attention, with enthusiastic participation from across the globe.

NIELIT as a leader in skill development and capacity building, has played a crucial role in advancing digital inclusion throughout the country. Under the NECB 2.0 project, funded by MeitY, we have trained approximately 1.5 lakh individuals and supported the establishment of 25 start-ups in the North East Region. The beneficiaries are from all walks of life, including farmers, teachers, school dropouts, graduates, elderly individuals, and women, representing a wide spectrum of the population. NIELIT's various capacity-building initiatives continue to contribute to the nation's skilled workforce.

In response to the ever-evolving demands of the technology sector, NIELIT has formed strategic partnerships with renowned organizations such as UNESCO, ITI Egypt, Intel, NSDC, AICTE, and other respected academic and industrial institutions.

During the year 2023-24, NIELIT has successfully trained around 9 lakh candidates and generated a turnover of Rs. 444.16 Crores.

Looking ahead, we are optimistic that the foundations we are laying today will flourish in the years to come, driving academic excellence and empowering individuals and communities through the transformative power of education.

(Dr. Madan Mohan Tripathi)

Organization Mandate

National Institute of Electronics and Information Technology (NIELIT) is an autonomous scientific society under the administrative control of Ministry of Electronics and Information Technology (MeitY), Government of India. NIELIT is actively engaged in Capacity Building and Skill Development in the areas of IECT such as Artificial Intelligence, Blockchain, Cyber Security and Forensics, Cloud Computing, IoT, ESDM and related verticals. It offers courses in Degree/Diploma Levels as well as Skilling Courses and is also one of the National Examination & Accreditation Body which accredits institutes/ organizations for the conduct of courses in the Non-Formal Sector. NIELIT is also rolling out Digital Competency Programmes for many State Governments for its employees and the masses.

NIELIT is functioning under the overall control and guidance of the **Governing Council.** The Hon'ble Union Minister for Electronics and Information Technology (E&IT) is the Chairperson of the Council whereas Hon'ble MoS (E&IT) is the Deputy Chairperson along with members from Government, Industry, Academia and representatives of various professional bodies.

The Management Board of NIELIT is chaired by the Secretary, Ministry of Electronics and Information Technology (MeitY), Government of India. Each NIELIT Centre has an **Executive Committee** consisting of representatives from respective State Governments, academic institutions and industry for the effective implementation of the decisions of the Board and the Council.

The Finance & Accounts (F&A) Committee of NIELIT is chaired by the Director General, NIELIT and the Committee assists the Governing Council by recommending the Budget Estimates / Revised Estimates and other finance related matters. The Committee is also mandated to scrutinize the Audited Annual Accounts before its submission to the Governing Council for adoption, besides appointment of Auditors.

The Academic Advisory Committee (AAC) is chaired by an eminent Academician with its members drawn from Academia and Industries and is the Advisory Body on the academic activities of NIELIT.

The Vigilance department of NIELIT is headed by the Chief Vigilance Officer (CVO), a senior officer from MeitY. The CVO is assisted by Vigilance Officers at all Centres and also at NIELIT Headquarters.

In order to promote transparency and accountability, mandatory provisions of the Right to Information Act (RTI) have been implemented in the Institute with effect from July 2005. The Public Information Officer (PIO) at Headquarters as well as PIOs at all NIELIT Centres have been appointed, as per the requirement spelled out under RTI Act. To deal with the requests under RTI Act, internal procedures have been formulated and the mandatory information has been hosted on the NIELIT website (www.nielit.gov.in). With a view to bring excellence in public service delivery and to redress grievances of citizens in a meaningful manner, NIELIT has also appointed a Public Grievance Officer (PGO), in line with the guidelines promulgated by Department of Administrative Reforms & Public Grievances.

NIELIT has its presence at fifty two (52) locations at Agartala, Aizawl, Ajmer, Aurangabad, Bhubaneswar, Bikaner, Buxar, Calicut, Chandigarh, Chennai, Chuchuyimlang, Churachandpur, Daman, Delhi, East Delhi, South West Delhi, Dibrugarh, Dimapur, Gangtok, Gorakhpur, Guwahati, Haridwar, Hyderabad, Imphal, Itanagar, Jammu, Jorhat, Kargil, Kohima, Kolkata, Kokrajhar, Kurukshetra, Leh, Lucknow, Lunglei, Majuli, Mandi, Muzaffarpur, Noida, Pasighat, Patna, Pali, Ranchi, Ropar, Senapati, Shillong, Shimla, Silchar, Srinagar, Tezpur, Tura and Tezu with its Headquarters at New Delhi.

SPECTRUM OF NIELIT COURSES

NIELIT plays an important role in skilling of youth in the area of IECT. The wide repertoire of NIELIT Courses includes: (i) **Degree/Diploma Level Courses** such as **M.Tech, B.Tech, MCA, BCA** programmes offered by the NIELIT Centres in association with State Universities/Technical Board; Aurangabad Centre is also facilitating **PhD** Program in the area of Electronics (ii) **Skilling Courses (Long Term)** such as O Level (IT), A Level (IT), CHMT-O Level, etc. ; (iii) **Skilling Courses (Short Term)** in niche areas such as IoT, Cloud Computing, Machine Learning, Cyber Security, AI, etc. and (iv) **Digital Competency Programmes** for the proliferation of Digital Proficiency in the country; besides specialized programmes in emerging technologies targeted towards empowering the employees of the State Governments and Departments of Central Line Ministries. In addition, NIELIT has also created expertise for the roll out **of customized skilling, upskilling and reskilling programmes** as per specific needs of youths and industries.

AUGMENATION OF NIELIT CENTRES

With a vision to provide an excellent infrastructure with residential facilities for the benefit of the students from far flung areas, MeitY provides fund for setting up of permanent campuses of NIELIT Centres in different parts of the country. Efforts are also being made with respective State Governments for soliciting support in the form of rent-free built-up space/land. Apart from setting up of permanent campuses, efforts are also made to set up Extension Centres in remote areas under monitoring of respective NIELIT Centres at the state and also to upgrade infrastructure of existing Centers.

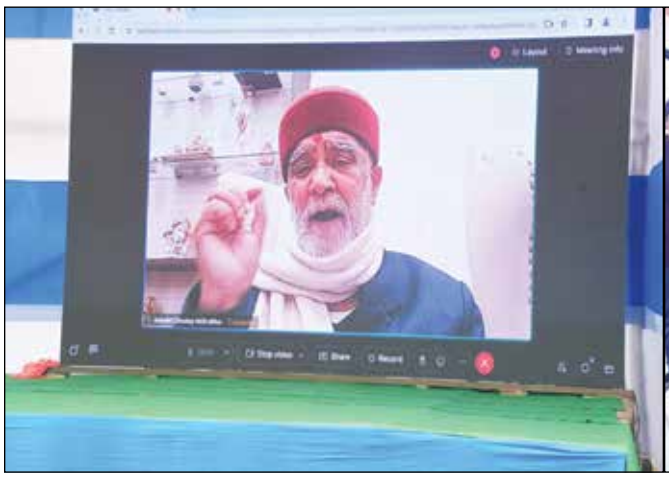
NIELIT Centres/Labs/Infrastructures inaugurated during 2023-24:

(i) Inauguration of NIELIT Gangtok:

The permanent campus of NIELIT Gangtok at Bengthang, Pacheykhani was inaugurated by Shri Alkesh Kumar Sharma, IAS, Secretary, MeitY, on 8th April, 2023 in the presence of Shri Tenzing Norbu Lamtha, Hon'ble Advisor, DIT, Govt of Sikkim; Shri Navraj Gurung, Hon'ble Chairperson, DIT, Govt of Sikkim, Shri Yogendra Sharma, Secretary, DIT, Govt of Sikkim and senior Officers of NIELIT.

(ii) Inauguration of NIELIT Buxar:

Under the MeitY funded project entitled "Setting up of NIELIT Extension Centre at Buxar, Bihar", a full-fledged permanent campus has been set up at Buxar, Bihar. The Buxar Centre was virtually inaugurated by Shri Ashwini Kumar Choubey, Hon'ble Union Minister of State, Consumer Affairs, Food and Public Distribution and Ministry of Environment, Forest and Climate Change on 30th January, 2024.



(iii) Inauguration of NIELIT Bikaner:

Under the MeitY funded project- "Setting up of NIELIT Centre at Bikaner", a new NIELIT Centre was set up at Bikaner, Rajasthan. The Centre was inaugurated by Shri Arjun Ram Meghwal, Hon'ble Member of Parliament from Bikaner and Minister of State, Law and Justice on 23rd February, 2024.

(iv) Inauguration of NIELIT Hyderabad:

The Ministry of Electronics and Information Technology (MeitY) granted administrative approval for the project title "Setting up of NIELIT Centre at Hyderabad, Telangana", with a total budget outlay of Rs. 474.26 lakhs. The Government of Telangana has allocated approximately 11,000 square feet of built-up space in Ashoka Raghupathi Chambers, Begumpet, Hyderabad, for the establishment of NIELIT Centre. The NIELIT Centre at Hyderabad was inaugurated by Shri G. Kishan Reddy, Hon'ble Union Minister for Tourism, Culture, and Development of North Eastern Region (DoNER) on the 13th March, 2024.

(v) Inauguration of AI Lab and Boys Hostel at NIELIT Srinagar

The Artificial Intelligence Lab and Boys Hostel of NIELIT Srinagar was inaugurated by Shri Alkesh Kumar Sharma, the then Secretary, MeitY, on 1st April, 2023 in presence of other distinguished guests, including Prof. Nazir Ahmad Ganai, Vice Chancellor of Sher-e-Kashmir University of Agricultural Sciences and Technology of Kashmir (SKUAST-Kashmir); Shri Abhishek Sharma, CEO of Jammu and Kashmir e-Governance Agency (JaKeGA), Government of J&K; Dr. Ayaz Hassan Moon, Dean School of Engineering and Technology, IUST; Prof. T. H. Masoodi, Registrar, SKAUST-Kashmir and other senior Officers of NIELIT.

(vi) Inauguration of new IoT Lab & 3D Printing Lab

On 28th July, 2023, Shri Sethrongkyu, Advisor, Department of Information Technology & Communication, Government of Nagaland inaugurated the new IoT lab and 3D Printing Lab at NIELIT Kohima. The lab is equipped with cutting-edge technology and is expected to empower students to stay abreast of emerging technologies and innovations, thereby preparing them to compete on a global level.

CORPORATE TRAINING

NIELIT is one of the preferred agencies for capacity building and skill upgradation of Government Officials for various State Government and Central Line Ministries. **A glimpse of some of the corporate training undertaken by NIELIT in 2023-24 are briefed as under:**

(i) Training for Assam Police/CID Assam

NIELIT Guwahati has conducted one week advanced training programme on Cyber Forensic covering Network Forensics, Mobile Forensics, Disk Forensics, Social Media & Cloud Forensics etc. for Officials of Assam Police/CID Assam. Officers in the rank of ACP, Inspector, SI participated in the program. In all, the centre provided training to more than 700 CID/Police personnel from Assam in the year 2023-24.

(ii) Training for Uttarakhand State Government Officers

NIELIT Haridwar provided training to approx. 282 Nos. of Officers from various Departments of Uttarakhand State Government in 2023-24. The training programmes were conducted on the topic of Cyber Security and Windows Productivity Tools.

(iii) Training to Defence Personnel at AEC, Pachmarhi

A Training Programme on Cyber Security and Social Media Analyst (480 Hours) was conducted by NIELIT Kolkata for the Defence Personnel at AEC Training College & Centre, Pachmarhi, Madhya Pradesh. A total of 39 Defence Personnel were trained on the course covering topics like Advance Networking, Cyber Security & Forensics, Social Media Analysis, ML using Python, Linux and Server Administration, and Disruptive Technologies namely Big data & Cloud Computing.

(iv) Capacity Building for Ladakh Government Employees

NIELIT Leh conducted various capacity building programmes for Govt. Officials of Ladakh in the year 2023-24. The Centre conducted 7-days Capacity Building training of 30 new recruits of Ladakh Govt employees. NIELIT Aizawl organized "One day Training on Basic of MS Excel and Cyber Security for Govt. Employees" at NIELIT Extension Centre Lunglei. A total of 50 Officials from DC Office, SP Office and Border Security Force (BSF), Lunglei were trained.

(xi) Corporate Training for Senior officials of STPI

NIELIT Chandigarh conducted a six days corporate training for 21 Senior officials of STPI (Software Technology Park of India) in July, 2023. The topics included emerging technologies such as AI, Data Science, Machine Learning and Blockchain and Case Studies.

SOME HIGHLIGHTS OF CAPACITY BUILDING UNDER FUNDED PROJECTS

(i) Skill Development in ESDM Sector

NIELIT is one of the Key Implementing Agencies for implementing the scheme for Skill Development in ESDM funded by MeitY and Programme Management Unit is set up by NIELIT. As on 31st March, 2024, NIELIT has enrolled 54,681 candidates, out of which 54,626 has been trained and 30,097 has been certified and 4,160 candidates have been placed.

(ii) Skilling Programme for SC/ST job seekers funded by DGE, MoL&E

NIELIT is implementing special training programmes for providing computer training to SC/ST jobseekers funded by the Directorate General of Employment (DGE), MoL&E. Under the programme, one-year training is conducted in 5 courses, namely (i) O Level (IT) (ii) CHMT-O Level (iii) Office Automation Accounting Publishing Assistant (iv) Business Accounting Associate and (v) Cyber Secured Web Development for the SC/ST jobseekers who are registered with National Career Service Centres for SC/ST, DGE. During the FY 2023-24, the training is conducted at 25 locations across the country under monitoring of 21 NIELIT Centres. During the FY 2023-

Book Distribution to SC/ST candidates by NIELIT Delhi Centre

24, a total of 2909 SC/ST candidates were enrolled out of the targeted 2925 in all the 5 courses. Under the Programme free study materials (sponsored by DGE) are also distributed to the SC/ST jobseeker candidates.

(iii) Free Training to SC/ST Candidates funded by MeitY

The programme for providing free training to Scheduled Castes and Scheduled Tribe Candidates funded by MeitY is being implemented since 2007 at NIELIT Centres. Under the Programme, candidates belonging to SC/ST community are trained in various Degree/Diploma and NSQF aligned non-formal courses of NIELIT on free of cost basis, this is in-kind DBT scheme of MeitY. In the FY 2023-24, a total of 4,704 SC candidates and 16,001 ST candidates have been provided free training in various courses by NIELIT Centres.

(iv) Capacity Building on Cyber Security for Urban Cooperative Banks:

Under the 'Awareness Vriddhi and Training for the Urban Cooperative Banks (AVTU) Mission' sponsored by Reserve Bank of India (RBI), NIELIT Centres are providing Cyber Security Training [7 to 16 hours] to Urban Cooperative Bank (UCBs) Officers for three different target groups i.e. Board and Senior Management, Technical Officers and Employees (Non-Technical). CAB-RBI has mapped ten (10) NIELIT Centres with total of 338 nos of UCBs of different regions. As on 31st March, 2024, a total of 1505 Officials have been trained and 1499 no. of Officials have been certified under the programme.

(v) Capacity Building in IECT for various sections of Society in the NE States

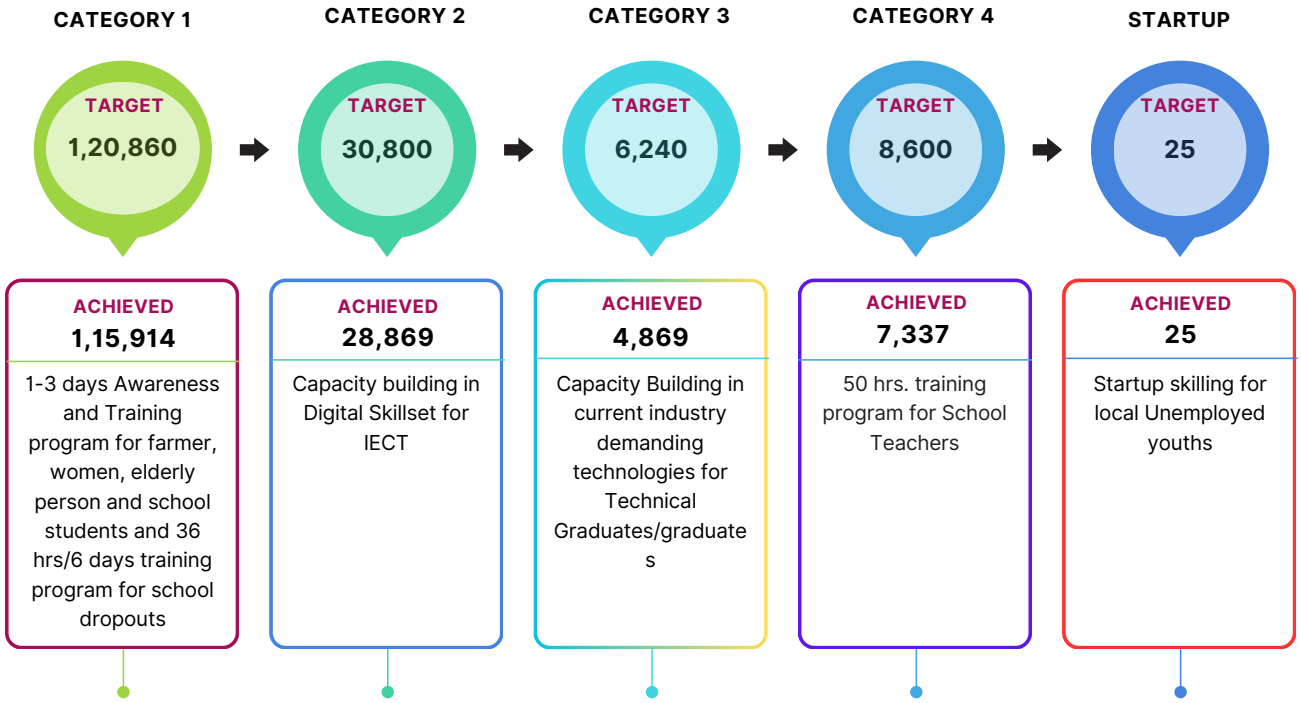
Under the MeitY funded Project titled "Capacity Building in IECT including training in Digital Skill sets and Current Industry Demanding Technologies for various sections of society in the NE States" awarded by MeitY, NIELIT has to train a total of 1.665 lakh citizens across the NE States.

Awareness Programme on "Use of ICT Technologies for effective Farming and Marketing" for farmers at Nongur Village, Sohiong East Khasi Hills, Meghalaya

The programme has benefitted NE people from various sections of society from farmers to teachers, from school drop outs to graduates, from elderly persons to women as they have been provided training on digital skill sets/current industry demand technology as per their need. The target audience has been divided onto 4 category Groups. Further, one of the objectives of the project is to create and promote an ecosystem for local startups and entrepreneurship development in the NE Region, as an outcome of which many startups have been supported.

The project has been very successful in the NE States; a brief outcome is tabulated as under:

Achieved till 31.03.24



In total, out of the target 1,66,500 candidates, a total of 1,56,989 candidates have been trained and also, 25 Startups have been set up/supported as envisaged in the target

List of StartUps set up/supported under the Project:

Sl. No.	Name of Startup	Brief Description	Sector
1	MayMyTalent	AI based platform to analyse the best career choices for the students using 5D Psychometric test.	Edtech
2	Naga Toons Creative Solutions	A creative agency in Nagaland that provides a wide spectrum of services including but not limited to animations, branding, graphic design and sound & music production. It incorporates the rich and vibrant cultures of the Naga Traditions.	Animation
3	TechiCynics	The startup software company is rewriting the rules of innovation with boundless creativity in the state of Nagaland.	IT

(vi) Capacity Building under PM SHRI Scheme

Under the PM SHRI School scheme, which is a centrally sponsored scheme initiated by the Government of India, NIELIT Patna conducted skill development training for 1191 students in various Certificate Courses as below:

- Certificate Course in Internet of Things: 60Hrs,
- Certificate Course in Artificial intelligence: 60Hrs
- Certificate Course in Computer Fundamentals: 60 Hrs
- Fundamental of Artificial Intelligence: 30Hrs
- Certificate Course on Computer Fundamentals and Internet of Things: 60Hrs
- Certificate Course in Robotics: 60 Hrs

(vii) Capacity Building on Drone Technology

NIELIT is implementing a MeitY funded project entitled "Capacity building for human resource development in Unmanned Aircraft System (Drone and related Technology)" for providing training in the area of Unmanned Aircraft System (UAS). Under the project, Drone Labs have been established in all 5 implementing NIELIT Centres namely, NIELIT Calicut, Imphal, Aurangabad, Bhubaneswar and J&K. A total of 36 bootcamps with 1358 participants across the implementing Centres.

History of the Centre

NIELIT Chennai came into existence by the admin approval of MeitY, GoI, dated 6th Jan 2009, under the Project "Setting up of DOEACC Centre (NIELIT Centre) at Chennai". The second MeitY project capacity building in the areas of Electronic Product Design and Production Technology helped establish state-of-the-art facilities with special emphasis on VLSI Design, Embedded System Design, Automotive Electronics, and later augmented with Artificial Intelligence, Information Security, Cloud Computing, Digital and Mobile Forensics. The institute's curricula are an absolute blend of academic and industry relevant competency development programs which allows the candidates to develop the skills and knowledge relevant to their own career paths truly contributing towards Atma Nirbhar Bharath. Over the years the centre has provided skill training to more than 35,000 candidates. Presently, NIELIT Chennai is implementing the Work Based Learning (WBL), Skill Development of Youths in Aspirational Districts, Employability Enhancement & Livelihood Training Program [EELTP] of SC/ST&EWS (Women) Youth through Capacity Building and Skill Development in IECT, IT for Masses and Future Skills PRIME capacity building projects (3D PAM, RPA & IoT - technology streams) of Ministry of Electronics and Information Technology (MeitY), Government of India.

History of the Centre

NIELIT Chandigarh was established in 1978 as Regional Computer Centre (RCC) to encourage and promote the development of Electronic Data Processing towards achieving self-reliance in the field of Computer Science and Technology. In the year 2002, the Centre was merged with DOEACC Society and then in 2011 was renamed as NIELIT. In August 2012, the ggovernment of Punjab had allotted about 12 acres of land at Ropar (adjoining IIT campus) for "Construction of Permanent Campus of NIELIT Chandigarh at Ropar, Punjab". NIELIT had started its training activities from the Ropar Campus since October 2017, however, some training facility is still continued at Chandigarh.

NIELIT Ropar Centre provides specialized services to different segments of clients based on requirements assessed from time to time. This Centre successfully launched and executed several nation-wide projects like National Population Register (NPR), the National Council for Promotion of Urdu Language (NCPUL) Project, and CPI (Consumer Price Index) Generation for Labor Bureau, in addition to the ongoing legacy projects. Taking forward its legacy, the Centre is working towards getting status of NIELIT Deemed to be University with main campus at Ropar and 11 other NIELIT Centres as its constituents.

INDEPENDENT AUDITOR'S REPORT

To,
The Director General
National Institute of Electronics & Information Technology (NIELIT)

Opinion

We have audited accompanying consolidated financial statements of **National Institute of Electronics & Information Technology (NIELIT)**, NEILIT Bhawan, Sector - 8, Dwarka, New Delhi – 110077, (hereinafter called as "Society") a society registered under the society Registration Act 1860, which comprises the Consolidated Balance sheet as at 31st March 2024, the consolidated Income & Expenditure Account and also the Consolidated Receipt & Payment Account for the year ended on that date, and a summary of significant accounting policies and other explanatory information annexed thereto in which the returns of NIELIT Delhi head quarter, National population register Consolidated audited by us and returns of twenty three centers – Aizawl, Aurangabad, Calicut, Chandigarh, Chennai, Gorakhpur, Guwahati, Gangtok, Imphal, Itanagar, Kolkata, Kohima, Sri Nagar & Jammu, Agartala, Shillong, New Delhi, Ajmer, Patna, Ranchi, Shimla, Haridwar, Leh & Bhubaneshwar audited by other auditors are incorporated.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying consolidated financial statements of the society are prepared, in all material respects, in accordance with applicable Laws. The consolidated Balance Sheet and the consolidated Statement of Income & Expenditure and consolidated Receipt and Payment account dealt with by this Report are in agreement with the books of account and with the returns received from the centers not visited by us and give a true and fair view in conformity with the generally accepted accounting principles and accounting standards in India.

Basis for Qualified Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of these Consolidated Financial Statements* section of our report. We are independent of the society in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw your attention towards note 3 of schedule 25 regarding matters related to provision for bad and doubtful debt, Unadjusted Debtors, Stale Cheques, Difference in GST turnover & Liability and unadjusted advance/security deposits. Further attention towards

H.K. DUA & CO. New Delhi Chartered Accountants

note 4 (c,d,e,f,g,h,j) of schedule 25 of the financial statements regarding the current status of National Population register and note number 10 of schedule 25 regarding compilation of only material notes in the consolidated financial statements. Further attention is drawn towards Note Number 1 & 4(a) of Schedule 25 regarding the contingent liabilities.

Further attention is drawn towards Note Number 4(i) of Schedule 25 regarding the cheques issues but not presented. Further attention is drawn towards Note number 6 of schedule 25 regarding ongoing process of confirmation of debtors, creditors and loans & advances stated in the financial statements.

In case of NIELIT Delhi Head quarter audited by us there were following Emphasis of matter

Attention is drawn towards the note number 12 of schedule 24 regarding the unadjusted amount of advance fee received from the students and institutes etc. Further attention is drawn towards the note 16 of schedule 24 regarding the unreconciled amount of the Sundry Creditor i.e. DAPV.
Further attention is drawn towards note 17 of schedule 24 regarding the EPF recoverable from the employees. Further attention is drawn towards the note 19 of schedule 24 regarding unadjusted advance received from the parties. And Further attention is drawn towards note 27 of schedule 24 regarding ongoing process of confirmation with Debtors, Creditors, current assets, current liabilities & loans and advances, which are stated in the books at the value which is Recoverable/Payable. Our opinion is not qualified in respect with such matters.

In case of New Delhi Centre, Calicut Centre and Chennai Centre; Attention to emphasis of matter is drawn by their auditors towards certain matters, reference to such reports can be made.

Other Matter

We did not audit the financial statements (referred as returns) of Aizawl, Aurangabad, Calicut, Chandigarh, Chennai, Gorakhpur, Guwahati, Gangtok, Imphal, Itanagar, Kolkata, Kohima, Srinagar & Jammu, Agartala, Shillong, New Delhi, Ajmer, Patna, Ranchi, Shimla, Haridwar, Leh and Bhubaneshwar as considered in the consolidated financial statements.

These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these center's is based solely on the reports of the other auditors.

In case of NIELIT Delhi Head quarter audited by us there were following other matters

This is to inform that the deferred input tax credit pertains to the F.Y. 2021-22 & 2022-23 of M/s Umang Services has been utilized during the period of audit on the basis of the honorable High Courts judgements and complaint has been registered with the Goods & Services department against the said party for non-filing of GST returns.

With regards to the amount recoverable from MEITY, this is to inform that the amount has been settled with the NEFT/RTGS as stated by MEITY, hence nothing is pending.

H. K. DUA & CO. New Delhi Chartered Accountants

In case of Shimla Centre and Gorakhpur Centre; Attention to other matter is drawn by their auditors towards certain matters, reference to such reports can be made.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Society Management is responsible for the preparation of these consolidated financial statements in accordance with applicable Law and bye laws for such internal control as management determines is necessary to enable the preparation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing these consolidated financial statements, management of the Society is responsible for assessing the society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether these consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. For the centers we have audited we also carried out following steps (here-in after referred as "additional steps"):

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the society's internal control

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the society's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the society to cease to continue as a going concern.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to be where on our independence, and where applicable, related safeguards.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

For Centers we did not audit and have been audited by other auditors whose reports have been furnished to us by the Management, accordingly we have relied on such auditors to carry out above mentioned additional steps.

In the absence of any relief provided by Chief Administrator, Chandigarh and UT Administration, Chandigarh, writ petition was filed before the Hon'ble Punjab and Haryana High Court, Chandigarh, which was also dismissed in default, against which, another writ petition was filed for restoration of the case. The said Writ petition was also dismissed as withdrawn with liberty to file afresh on the same cause of action. Based upon the representation sent to Municipal Corporation, Chandigarh regarding re-consideration for allotment of land at Mani majra by adjusting initial payment of Rs.43.24 lacs already released by this Centre in favour of Municipal Corporation Chandigarh and non-applicability of demand note raised towards interest on delayed payment of premium, Ground Rent and forfeiture amount of consideration money, fresh Writ Petition has been filed through Central Govt. Counsel. Notice of motion was issued to counsel for Chandigarh Administration and Municipal Corporation. The reply affidavit has been filed by the Counsel of Municipal Corporation Chandigarh on 23.09.2019 after being given last opportunity by the Hon'ble High Court.
  Proceedings are under process and next date of hearing in the matter is 07.11.2024. Appropriate provision had already been made in the books of accounts of the Centre in this regard.

- Sh. V. K. Jain, Ex Director In charge, NIELIT Chandigarh along with fifteen other Ex- employees of NIELIT Chandigarh who retired after 01.01.2016 and before 29.03.2018 i.e. the date of issue of Gazette Notification by Ministry of Labour and Employment, Govt. of India vide which maximum amount of gratuity payable to an employee under "The Payment of Gratuity Act, 1972" has been increased from Rs. 10 lacs to Rs. 20 lacs., have filed O.A. No. 60/1144/2018 before the Hon'ble Central Administrative Tribunal, Principal Bench, Chandigarh for grant of revised gratuity to the applicants @ maximum of Rs. 20 lacs along with interest @ 12% p.a. from

respective dates of retirements of the applicants till the actual date of realization. Reply on behalf of Respondents was filed before the Hon'ble CAT. Further Proceedings are under process and next date of hearing in the matter is 13.09.2024 for final arguments.

- NIELIT Chandigarh had signed an MoU with Rajasthan State Cooperative Bank Ltd., Jaipur on 25.01.2003 for development of Application Software for Head Office (including five Regional Offices) computerization of RSCB and 26 District Central Cooperative Banks (DCCBs) in the state. In this regard Chandigarh Centre had rendered consultancy services to the Rajasthan State Co-Operative Bank Jaipur for procurement of Hardware Infrastructure for which the centre received advance of Rs. 17.15 lacs. But the Rajasthan State Co-Operative Bank Jaipur did not finally place the supply order and has filed recovery suit in the year 2007 before Additional District and Session Judge, Fast Track-3, Jaipur CITY for recovery of amount of Rs. 23.58 Lacs (Rs. 17.15 plus Rs. 6.43 Lacs as interest)
  In this regard, it is stated that the Judgement in the reported matter has been delivered by the Hon'ble court on 06.09.2019, vide which the Petition of Rajasthan State Co-operative Bank, Jaipur has been dismissed while deciding the matter in favour of NIELIT. Is also been ordered by Hon'ble Judge that expenses incurred will be borne by respective parties.
  Further, Appeal under section 13 of the commercial courts, commercial appellate courts, commercial division and commercial appellate division of high court acts, 2015 read with section 96 of the code of civil procedure, 1908 has been filed by Appellant (RSCB) bearing No. DB Civil regular First Appeal No. 1109/2019 against the judgement & Decree order dated 06.09.2019 passed by Sh. Raj Kumar, learned Presiding Officer, Commercial Court No. 2, Jaipur Metropolitan in Civil Suit No. 37/18, Tilled as "THE RAJASTHAN STATE CO-OPERATIVE BANK LTD. VERSUS DOEACC & ORS."
  Last date of the hearing in the said matter was 21.08.2024. Next date of hearing is fixed on 19.09.2024 for arguments.

b) Kolkata Centre

i. RCC Employees Contributory Provident Fund Trust with Income Tax recognition is maintaining PF of employees who have joined NIELIT before 01.01.2004. However, PF of employees who have joined on or after 01.01.2004 is maintained at NIELIT Head Quarter under EPR & MP Act, 1952. i) In case of Haridwar Centre

The tax payable under Goods & Service Tax is not reconciled with the amount reflecting in cash ledger and credit ledger at the GST portal due to the following reasons-

Difference in turnover-

There has been a difference in the output service turnover reflecting in Income & expenditure Account and the turnover shown in GSTR-1 under GST. The main reason for difference is that an invoice amounting to taxable service of Rs. 1,09,900 related to March 2024 was declared in GSTR-1 of May 2024 i.e. in the next Financial Year. There were some more entries passed at the time of finalization of internal audit resulting in increase in turnover of F.Y. 2023-24 but the same have not been shown in GSTR 1 of F.Y. 2023-24 resulting in difference in turnover as reflecting in the Income & Expenditure A/c of F.Y. 2023-24 and the turnover declared with the GST Department and this difference will be reconciled in GST Annual return for F.Y. 2023-24.

Difference in GST Liability-

During the audit it was found that GST input credit of GST paid on some input services received was not claimed in GSTR 3B of F.Y. 2023-24 resulting in difference in input credit reflecting in books of accounts and input credit claimed in GSTR 3B. This ITC that has been less claimed will be taken in GSTR 3B of next F.Y. 2024-25 within the specified period and this difference will be reconciled in GST Annual return for F.Y. 2023-24.

(g) Major fire broke out during June 2014 in the office building occupied by NIELIT Centre Chandigarh at SCO 114-116 Sector 17B, Chandigarh. Appropriate accounting entries regarding loss/write-off in respect thereof have been recorded in the FY 2015-2016. Due to fire, Centre lost all the infrastructures including NPR records/assets.

(h) The work involved in execution of the Project has been completed in 2013 but the payments to the MSP's (Managed Service Provider) could not be made because the penalties levied by NIELIT as per the terms of RFQ (Request for Quotation) against bills submitted by MSP's had been disputed by MSP's. Further, the work of Local Register of Usual Residents (LRUR) connection was later withdrawn by RGI (Register General of India). The matter relating to settlement of penalty an LRUR correction cost were taken up before the Management Board.

On the recommendations of Management Board, the governing council of NIELIT in its 35th meeting held on 26th September 2017 had given the following decisions with regard to NPR projects: -

a) The Governing Council agreed in-principal to cap the penalties due to delay at 25% of the contract value after subtracting the amounts for LRUR corrections and that other penalties for poor quality of work shall be levied as per existing provisions of contract.

H. K. DUA & CO. New Delhi Chartered Accountants

b) The Governing Council further approved that the payments be released to MSP's in a transparent and accountable manner, after deduction of LRUR correction cost, which has quantified @4.3% of digitized rate quoted by the MSP's. The cost deducted on account of LRUR corrections to be returned back to RGI.

In accordance with the decisions of Governing Council, payments have been made to the MSP's in FY 2017-18 and FY 2018-19 after re-calculating the amount payable keeping in view the capping of penalty due to delay in completion of work by MSP's and direction of LRUR correction cost. The cost deducted on account of LRUR corrections required to be returned back to RGI has been accounted for and shown under the sub-head "Other Liabilities-LRUR Payable to RGI" under "Current Liabilities and Provision" and the amount of penalties deducted while making payment to the MSP's has been booked under the sub-head "Retention Money – Penalty" and "Current Liabilities and Provisions" as per directions received from Headquarters.
